Can we bring our own band & DJ?

We recommend booking one of our recommended suppliers. We trust them to be able to offer you quality music and a professional service. If you wish to supply your own band, it is your responsibility to let them know that they must get in touch with Whinstone View at least a week before they are due to perform. The band must have Public Liability insurance and their equipment must be fully PAT tested. We have a secured access for entertainment and performers so it's important we know of arrival times.

Drug & Alcohol policy

We have a zero tolerance policy on the mis-use of drugs. We have a strict policy on guests bringing alcohol into Whinstone View, often in gift bags for consumption on the premises. We, as a business, have a responsibility to our customers and staff to ensure responsible drinking. Our bar prices are very reasonable, unlike many other wedding venues we do not inflate this cost for wedding guests. Drinks menus are available for your perusal in advance. Menus are also available on the website. **ANYONE FOUND TO BE CONSUMING THEIR OWN ALCOHOL WILL HAVE IT REMOVED AND WILL BE ASKED TO LEAVE IMMEDIATELY.** Last orders at the bar Our bar will call last orders at 11:15pm with the bar and music to finish at 11:30pm.
